PROJECT VALUATION: \$ _____

****This Permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work has commenced. I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with weather specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction. 24 hours advanced notice on all inspections is required. Inspections required. All Construction debris shall be removed from site and deposited in licensed landfill. Clean fill shall be used to fill the foundation. Grade site so water does not pond and seed. Septic Tank crushed or filled with clean sand and topped with 12" Black Dirt*****
